WHO WE ARE

Nancy G. Brinker promised her dying sister, Susan G. Komen, that she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen®, now the world's largest breast cancer organization and the largest source of nonprofit funds dedicated to the fight against breast cancer with more than \$2 billion invested to date. Virginia Blue Ridge is one of 60 Komen affiliates worldwide, covering a 42 city/county service area with education and local grant funding.

JOIN THE FIGHT

Susan G. Komen Virginia Blue Ridge is doing important work in our 42 city/county service area. Each year there are 1,039 women and men in our service area who are diagnosed with breast cancer and 226 women and men who die from breast cancer. We are dedicated to this mission and will not stop until our promise to end breast cancer forever has been fulfilled.

The money we raise through events like Laugh for the Cure is used to fund screening and diagnostic mammograms, outreach and breast health education programs for uninsured and underinsured women as well as breast cancer research.

LAUGH FOR THE CURE®

Laugh For The Cure® (LFTC) is a grass-roots effort founded in 2002 in Charlotte, NC by a group of friends whose lives had each been touched by breast cancer. They founded the event to remember loved ones they had lost, celebrate the survivors and help those in their community currently impacted by the disease. The event has grown into one of the most highly anticipated and unique fundraising events in Charlotte and is quickly spreading to cities across the country! Laughter is the best medicine and the PG comedy shows have universal appeal to all audiences and keep the crowd 'laughing for a cure!' In our first 5 years, we have raised over \$180,000!
